BUDGET OF NEWS FROM CONGRESS

(Concluded from First Page.)

ent demonstrations of regard ever witnessed in the house. As to a man, the members rose and sang "America." Occupants of the galleries joining in Speaker Cannon took a position near the lobby door on the Republican side, and as the members filed past and bade him "good bye," all the while singing "He's a jolly fellow," with a refrain "So Say We All of Us," to the tune of "America," closing with "God Be With You Till We Meet Again."

During the day's session of the house many conference reports were agreed on bills which had been in dispute between the two houses. The only debate of any importance was on a bill providing for the restoration to the naval academy of three cadets, who had been dismissed for having the house voting overwhelmingly against it.

SENATE, TOO, ADJOURNS.
By The Associated Press.
Washington, April 28.—With a brief announcement and a sharp rap of his well-worked gavel, President Pie Ten Frye adjourned the senate sine die at 2 p. m. today. The occurrence was devoid of unusual incident and the final close of the session was but slightly different from the end of an ordinary day's sitting. Work of the session had been concluded before the final word was said, so that neither rush nor confusion marked the end.

The senate began its day's work at 10:30, but the greater part of time was devoted to political debate, participated in on the Republican side by Allison and Aldrich and on the Democratic side by Gorman and Culberson. The discussion was based on a statement made by Allison of the appropriations made for the session, comparing the figures for this year and for the administration of President Roosevelt with those of other years, and other administrations.

The president and his cabinet occupied the president's capitol office room during part of the debate and some of the president's advisers were among the most interested listeners to the criticism and defense of their chief. Mrs. Roosevelt and other members of the President's family occupied seats in the gallery towards the close of the session and they, too, found entertainment in the proceedings.

The only important acts of legislation during the day were the presentation and acceptance of conference reports on the Panama canal government, and emergency river and harbor bills. Neither report aroused debate.

The report that the Japanese have occupied Klunien Cheng, has not been confirmed. According to the Standard's Tien-Tsin correspondent the whole country outside the great wall is alarmingly flooded and any movement of land forces is impracticable for the present. The Standard's Tien-Tsin correspondent reports a strong secret society movement, anti-governmental, anti-foreign, in progress in the vicinity of Tsien-Fu and that the people are flocking to the cities for safety.

MANY HUNDRED BOYS IN BLUE

Parade at Springfield—Was An Imposing Spectacle.

RESOLUTIONS ADOPTED

CONDEMNING MOB LAW AND VIOLENCE AGAINST NEGROES.
OFFICERS ARE INSTALLED.

Special to The Bulletin.
Springfield, Ill., April 28.—Fifteen hundred of the boys in blue, veterans of the civil war, marched through the principal streets of the capital city of Illinois yesterday afternoon to the inspiring music of the life and drum. The same music to which they had marched to battle during the four long years in which they had fought to preserve the union, and to the less memory-bringing music of military bands. Above them floated in a stiff breeze the folds of the stars and stripes under which they had fought so many southern battlefields, and the rays of the sun shined on the silver stars to shine. Many of the old veterans were maimed, and nearly all of them were gray haired, yesterday they walked with the spring step of youth to the thrilling strains of the martial music.

Today the afternoon session of the Grand Army was devoted to the election and installation of the following officers: Commander, Robert Mann, Woods; senior vice, Geo. R. Young; Marlon; junior, John K. Stewart, Chicago; chaplain, Rev. Jos. Bell, Galesburg; medical director, Z. T. Baum, Paris.

Resolutions were adopted condemning mob law and violence against the negro and favoring the upholding of the law against lynching.
The Woman's Relief corps adjourned tonight. Officers were elected as follows: President, Nettie McGowan, Chicago; senior vice, Mollie Spier, Shelbyville; junior, Mrs. Ida Brewer, Ottawa; treasurer, Sarah M. Bradford, Springfield; chaplain, Elmira Carroll, Taylorville. Executive board: Mary L. Lewis, Chicago; Rachel Green, Chicago; Mary Cochrane, O'Leary; Clara Boyd, Peoria; Anella Arta, Palestine. Delegate at large to national convention: Miss Lotta B. Larimer, Chicago.

FAIR ESTATE NOW SETTLED

The New Jersey Heirs of Mrs. Chas. L. Fair Receive \$825,000.

By Associated Press.
New York, April 28.—It has just been learned that the terms of final settlement between the Fair estate and the heirs of Mrs. Charles L. Fair will entail a total payment to the Nelsons of New Jersey, representing Mrs. Fair's family, of nearly \$775,000, exclusive of personal property estimated to be worth \$50,000 or \$60,000. Besides this sum they will eventually receive approximately \$100,000 additional. As they received \$425,000 in September, 1902, their total inheritance amounts to nearly \$775,000.

This final settlement is in accord with an agreement which the Nelsons have signed not to offer any further obstacle to a complete and final settlement.

According to the same authority the James G. Fair millions will be distributed, together with the Charles Fair estate, in San Francisco, within two weeks.

Mrs. Oelrichs will leave for San Francisco this week to join her sister, Mrs. W. K. Vanderbilt, Jr., who, with her husband already have proceeded to the Pacific coast.

The torpedo boat destroyer Lawrence was reported behind the Nashville Thursday morning, but it is expected that she will catch up and that both steamers will come into port together. In the event that the Lawrence does not catch the Nashville in time, the gunboat will proceed alone, the Lawrence being expected to follow shortly.

LOUBET AT NAPLES.

By Associated Press.
Naples, April 28.—President Loubet arrived here today from Rome and was given a reception equalling in enthusiasm that accorded him in the Eternal city.

RATHER DEFEAT THAN VIOLENCE

(Concluded from First Page.)

In summing up he predicted that even should actual war exist between unions and the government, the great majority of wage earners would insist on the suppression of the latter.

"The use of force is properly considered a sign of weakness, and even if for no other reason, the leader who desires to carry a strike to a successful conclusion must, as a matter of policy, endeavor to prevent the commission of such acts."

After Hanging Fire in the Kentucky Courts for Fourteen Long Years.

Special to The Bulletin.
Wickliffe, Ky., April 28.—Judge W. Clark, of Smithland, Ky., sitting as special judge in the celebrated case of J. C. Dupuy vs. The Ft. Jefferson Improvement company, affirmed the commissioners' report dividing the land and ordering one-half of a large tract of land at Ft. SCHUH'S CONFIDENCE IN HYOMEL
Not a Penny Need Be Paid Unless It Cures You of Catarrh.

"Use Hyomel and be cured of catarrh," says Paul G. Schuh & Sons. When a responsible business house like this comes out and advertises that Hyomel will not cost a penny unless it does all that is claimed for it, it shows that remarkable confidence they have in this scientific medical treatment.

A complete Hyomel outfit consists of a neat inhaler, that can be carried in the pocket or purse, a medicine dropper and a bottle of Hyomel, and costs but \$1.

The user is the sole judge whether Hyomel is to be paid for or not. It does not help, Paul G. Schuh & Sons will cheerfully return the money and it will not cost a penny.
